

Specialists in online fleet risk management

# E-Training World Partnership

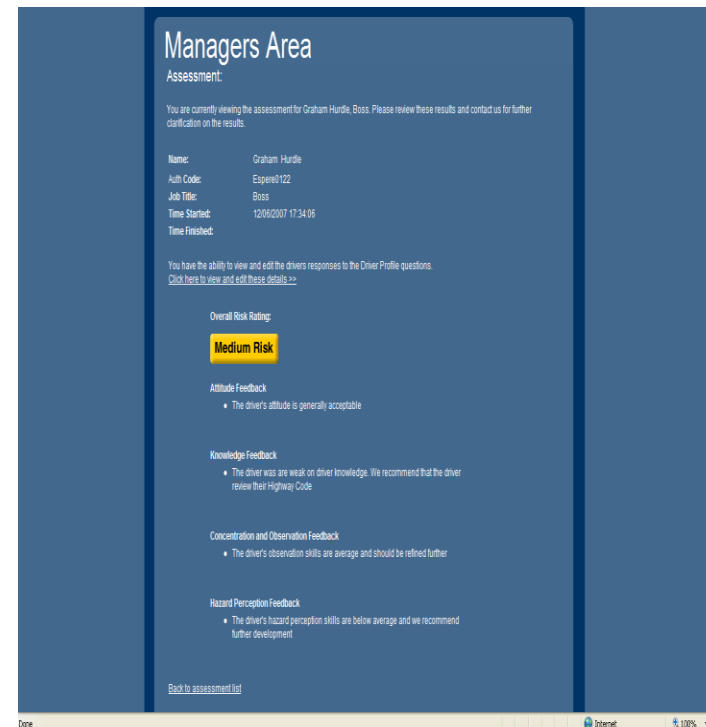

## Partner the award winning driver risk assessment systems

- The system will show your logo – your clients will believe it is your system.
- You write the questions that are appropriate to your country – you are the experts in your country.
- All questions and instructions written in your language – making the system user friendly
- You add your clients and generate their logins – you are in complete control.

## Partner the award winning driver risk assessment systems.

- Huge discounts on logins purchased enabling you to make big profits – 200% + return on your investment.
- Small set up fee, no other costs – you only pay for the logins that you have sold to your clients.
- One monthly invoice covering all logins generated that month – reduces your administration
- Free marketing pdf's – professionally designed to help you get new clients.
- Your logo and website link on the E-Training World website – helps to increase traffic to your website.

A screenshot of a web application interface titled 'Managers Area'. The page shows assessment results for a driver named Graham Hurdle. The overall risk rating is 'Medium Risk'. The page includes sections for 'Attitude Feedback', 'Knowledge Feedback', 'Concentration and Observation Feedback', and 'Hazard Perception Feedback', each with a bullet point providing specific feedback. A 'Back to assessment list' link is visible at the bottom of the content area. The browser's taskbar at the bottom shows the system time as 'Done' and the network connection as 'Internet'.
